

ENTREPRENEUR · KEYNOTE SPEAKER · STRATEGIC ADVISOR

Cherish Angula

She doesn't enter markets. She creates them.

With 17+ years and 9 ventures across luxury beauty, regulated healthcare, international trade and education, Cherish Angula is one of the UK's most distinctive entrepreneurial voices. Operating across London, Abuja and the US, she has built businesses born not from market research but from lived experience — each one starting with a gap she decided to fill.

SIGNATURE TALKS

01 **The \$51,000 Manicure**

What a world press story taught me about creating categories.

02 **Built Without a Blueprint**

Serial entrepreneurship across 9 ventures, 4 continents.

03 **The Gap Economy**

How underserved markets become your greatest competitive advantage.

04 **Self-Development Is the Business Plan**

The relationship between who you're becoming and what you can build.

KEY CREDENTIALS

- Creator of what international press named the world's most expensive diamond manicure — \$51,000
- Founder of Cherished Hair, a luxury extensions brand pioneered for the Black hair care market, worn by celebrities
- Founder of Cherished Care — CQC-registered, with active Local Authority contracts across London & South West England
- International trader operating across the UK, Nigeria, China, India, Peru and the US
- Qualified adults social worker with 17+ years of applied business and sector experience
